

A Heart of Cold

Sarah Dixon, a bright, beautiful, young black girl, becomes filled with massive anger, hatred and bitterness as abuse, rape and incest claw at her physical exterior. Follow her life from her small-town sharecropping days in Texas to a Dallas housing project, on to metropolitan Los Angeles and then back to where it all began as she vows to escape the social injustice she has experienced. Then you will then begin to unlock the key to her rage. Will she finally escape her tortured past, or be destroyed by it? Will her desperation and determination lead her to her ultimate triumph ...or to her eventual downfall? Travel with Sarah and see which outcome you will be rooting for. Publishers Web site:
