

Lost And Found: An anthology of poetry and lyric compositions based on the themes of discovery and loss... (Richard Allos Poetry Anthologies) (Volume 1)

From author Richard Allo comes a brand new series of poetry anthologies inspired by life experiences. Featuring both old and original works, the anthologies cover a broad range of creative, symbolic and philosophical themes. Lost And Found, the first of twelve anthologies to be published this year, focuses upon the discoveries and losses we human beings experience. Throughout life we undergo new encounters on both a positive and negative scale, and it is these various encounters the poems in this book look at.
