Prepare To Be Bossed Around 2 Bonus Books Included! Heres just a sample of what youre in for: The muscles on his chest perked into balls when he gripped at his waistband and bent over to remove his pants. His long fingers gripped my tired feet inside their firm grip. His thumbs worked deep into the soles of each foot, releasing a wave of sensations up my legs. Slowly, those same hands made their way up my calves, thighs, and chest. Never taking too long on any individual place. By the time he ran out of places to massage, my body was in a desperate struggle to hold back. His hips lowered themselves onto mine, when his hands stopped on my wrists. Each arm of mine was held high above my head, and my legs were spread wide, begging him to come in.
