

The Dawn of Armageddon (Coming of the Apocalypse Book 1)

Jacob Thimes was a Roman soldier turned follower of Jesus Christ. After witnessing the execution of his master and friend, Jacob Thimes enters into a pact with forces of darkness to bring about vengeance upon all of mankind. Becoming the worlds first vampire, he plots to build an army of the undead for the sole purpose of rendering man extinct. Following a two-thousand year long path of destruction, the former Roman soldier turned creature of darkness encounters a servant of the light who rivals him in longevity and conviction. From the streets of San Francisco to the depths of Hell, these two ancient warriors clash in a battle of wills that will have apocalyptic ramifications.
