

## ASPoetry: Illustrated poems from an Aspie Life

Wendy Lawsons well-known poetry reflects the many aspects of a life lived with Aspergers Syndrome. In this illustrated collection of poems and short prose pieces, including some from her childhood and teenage years, Wendy engages with her past and present, writing frankly about childhood, self-discovery, adulthood and friendship. Her poetry also conveys the day-to-day challenges presented by divorce, bereavement, emigration, disclosing homosexuality and Aspergers Syndrome. Both reflective and life affirming, these poems offer evocative glimpses of the Asperger experience and will enrich readers understanding of autism spectrum disorders.
