

Modern Diesel Locomotives (Enthusiast Color Series)

Exceptional photography captures modern diesel locomotives hard at work moving trains on tracks everywhere from California to Boston. Major railroads are brought to life including the Santa Fe, Union Pacific, Conrail, Southern Pacific, and Burlington Northern. Modern Diesel Locomotives even gets under the skin of the locomotive and shows 12-foot-long diesel engines being rebuilt! Includes a short history of the rise of diesel technology.

INDEPENDENT LIVING SKILLS

Lots of the topics covered in this website are part of independent living skills and you may be surprised by how much is involved in looking after yourself. You don't have to be completely on your own and if you are finding things difficult you should always have someone to turn to for help. This does not [...]

[Facebook](#)[Twitter](#)[Google+](#)
USEFUL DOCUMENTS

There are a number of documents that you will need to have as you live more independently. BIRTH CERTIFICATE You need your birth certificate as proof of identity and you will need it to get other documents such as a passport. Social Services may have a copy of your birth certificate that they are [...]

FacebookTwitterGoogle+
HEALTH

It is your social worker or young personal advisor's job to make sure you are registered with a doctor (also called GP) and a dentist. It is important not to leave registering with a GP until you need medical help. Keep the contact details for your doctor and out of hours contact number safe. DENTIST [...]
