

The Hijack (John Stratton)

Two hundred miles south of the Devon coastline, Palestinian freedom fighter Abed Abu Omar and twenty men prepare for their most daring mission yet - the hijack of a supertanker, a five-storey superstructure laden with oil. Meanwhile, in an Elizabethan country house, SBS operative Stratton has been seconded to bodyguard work and is bored by the lack of challenge. Not for long. With the helter-skelter pace that defined Duncan Falconer's brilliant debut *THE HOSTAGE*, Stratton has been whisked away by helicopter to assist in a daring rescue. *THE HIJACK* ranges from London to the Gaza Strip, from Riga in Latvia to Jerusalem. With a rich cast of characters from Russian secret service operatives to Al Qaeda terrorists and the Israeli military, the authentic detail and heartstopping narrative will propel Duncan Falconer to the highest class of adventure writers.
