

A Treatise on the Metallurgy of Iron: Containing Outlines of the History of Iron Manufacture, Methods of Assay, and Analyses of Iron Ores, Processes ... Iron and Steel, Etc.;, Etc (Classic Reprint)

Excerpt from A Treatise on the Metallurgy of Iron: Containing Outlines of the History of Iron Manufacture, Methods of Assay, and Analyses of Iron Ores, Processes of Manufacture of Iron and Steel, Etc.;, EtcThe importance of the subject has claimed for the Metallurgy of Iron much careful scientific investigation, both in this country and abroad; but being confined, for the most part, to large and expensive works, or to the pages of scientific periodicals, it is scarcely available for the technical education of the great class to whom a general knowledge of the physical properties of the ores, and the latest and most approved means of reducing them to a condition suited for the purposes of the manufacturer, has become an imperative necessity to enable us fully to meet foreign competition.To supply this want is the chief object the author has had in view in producing this volume, which he believes will furnish much information that practical workers of iron, students, and owners of iron mines require.About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.comThis book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

INDEPENDENT LIVING SKILLS

Lots of the topics covered in this website are part of independent living skills and you may be surprised by how much
is involved in looking after yourself. You don't have to be completely on your own and if you are finding things difficult
you should always have someone to turn to for help. This does not [...]

FacebookTwitterGoogle+
USEFUL DOCUMENTS

There are a number of documents that you will need to have as you live more independently. BIRTH CERTIFICATE
You need your birth certificate as proof of identity and you will need it to get other documents such as a passport.
Social Services may have a copy of your birth certificate that they are [...]

FacebookTwitterGoogle+
HEALTH

It is your social worker or young personal advisor's job to make sure you are registered with a doctor (also called GP)
and a dentist. It is important not to leave registering with a GP until you need medical help. Keep the contact details for
your doctor and out of hours contact number safe. DENTIST [...]
