

One Man Running (Sound)

A master of genre. - SUNDAY TELEGRAPH Peter Ashton, former SIS agent, is running for his life. In hiding, trying to live as a civilian with his wife and young children, Ashton finds himself once again thrown into the front line when his old home is blown up. Meanwhile, an assassination in Russia leaves an old friend running from the mafiozniki. With a price on her head and nowhere to go, she is desperate for Ashtons help. The SIS and all his contacts deny theyve ever heard from him, so Ashton is only one step ahead of the IRA terrorists who are out to retire him for good. Threatened by his past, Ashton determines that the safest protection for his family is himself, but his resourcefulness is put to the ultimate test in this fast-paced and suspenseful new novel by the acclaimed author of The Honet Trap.
