

Physics of Cryocrystals

Physics of Cryocrystals offers the first comprehensive treatment of molecular cryosolids. The book focuses on the distinctions between molecular and atomic cryocrystals, especially on the role of molecular rotation. Also considered are how cryocrystals are used for investigating the lattice dynamics of crystals with isotropic and anisotropic interactions, phase transitions, melting, different kinds of electronic excitations in insulators, and impurity effects. Detailed tables and graphs of molecular parameters, essential thermodynamic data, and lattice-dynamic data serve to make Physics of Cryocrystals an invaluable sourcebook. Contents

INDEPENDENT LIVING SKILLS

Lots of the topics covered in this website are part of independent living skills and you may be surprised by how much is involved in looking after yourself. You don't have to be completely on your own and if you are finding things difficult you should always have someone to turn to for help. This does not [...]

FacebookTwitterGoogle+

USEFUL DOCUMENTS

There are a number of documents that you will need to have as you live more independently. BIRTH CERTIFICATE You need your birth certificate as proof of identity and you will need it to get other documents such as a passport. Social Services may have a copy of your birth certificate that they are [...]

FacebookTwitterGoogle+

HEALTH

It is your social worker or young personal advisor's job to make sure you are registered with a doctor (also called GP) and a dentist. It is important not to leave registering with a GP until you need medical help. Keep the contact details for your doctor and out of hours contact number safe. DENTIST [...]

FacebookTwitterGoogle+

HOUSING

This is perhaps one of the biggest things you have to sort out as you leave care and this is why there is lots of help and support available for you. The options available in your area may affect your choice of when you want to leave care. Unfortunately quite a large number of care [...]

FacebookTwitterGoogle+

EDUCATION

SCHOOL You should already have a designated person in school who is there to help and support you. This could be a teacher or another person in the school. They are responsible for writing your Personal Educational Plan (PEP) and making sure everything happens. Your educational plan should help you to do the best [...]

FacebookTwitterGoogle+

SOCIAL SERVICES AND PATHWAY PLAN

While you have been looked after you will have known some people whose job it is to help and support you. All young people in care have a social worker. It is a good idea to keep their details readily available just in case you need to contact them. You may also want to note the [...]

FacebookTwitterGoogle+

RIGHTS, ENTITLEMENTS AND ADVOCACY

A right is a something that you can expect to receive. You don't have to earn it or win it. The rights and entitlements listed below are things that the government has committed to provide for you as a care leaver. This might be because there is an Act of Parliament or because they have [...]
