

We May Crack: A Collection of Poetry & Memories

In 2010, my sister passed away. Over the last five years, I have learned a lot about how to stand back up on my feet. Though hard to do, my hope pulled me along far enough to meet the love of my life and find peace at last. Each poem and short blurb from that chapter of my life is here, exposed. From raw tear stains to moments of flirtatious bliss, I welcome you along to read my most inner emotions.
