INDEPENDENT LIVING SKILLS

Lots of the topics covered in this website are part of independent living skills and you may be surprised by how much  
is involved in looking after yourself. You don't have to be completely on your own and if you are finding things difficult  
you should always have someone to turn to for help. This does not [...]

USEFUL DOCUMENTS

There are a number of documents that you will need to have as you live more independently. BIRTH CERTIFICATE  
You need your birth certificate as proof of identity and you will need it to get other documents such as a passport.  
Social Services may have a copy of your birth certificate that they are [...]
