

# The Great Poem Book

Australians take pride in their Anti-Establishments sentiments. The Great Poem Book reflects this philosophy, this is a collection of free-verse poetry pretty much about everything and anything. This young Australian Poet uses a unique style to describe his experiences and interpretations of life in a refreshingly non-conformist way. The thoughts and expressions that flow through Prestons pen are always deep, quirky and even a little dark. Drawing expression from a deeply felt reality, he writes with an unusual freedom that is both innovative and refreshing.
