

## Reveal the Real You Poetry Collection

Reveal the Real You Poetry Collection is a compilation of poems that I was inspired to write to encourage others to take off their masks to reveal their true selves. A Conversation With Survival, addresses the inner war we go through and how we so cleverly mask it from others and Destiny reminds us that it is a journey that we cant control. When we think we cant go any further, Strength reminds us of the inner force that allows us to go on. In this updated version, Ive added an introduction and a poem that I dedicate to the memory of Reginald Sanders, Our Love Expressed Between You and Me, that exemplifies the love that he and his wife, Minister Dawn Sanders expressed toward each other. Also, Ive included a link that you can click on and download of me reading A Conversation With Survival at the end of the poem. And a link that you can click on and download of me reading and singing a snippet at the end of the following poems: Grateful Song: Be Grateful by the late Bishop Walter Hawkins His Will Song: I Surrender AllI Almost Lost Me Song: I Almost Let Go by Kurt CarrLet Me In. Song: Let Him InPhenola Moore is inspired to write and is the editor-in-chief and writer for Grace Magazine and a former writer for Vision Magazine.
