

Book of Light

Poetic collection by author Julia L Marr. Inspired by life and her surroundings, this author uses poetry to work through both difficult and reflect on the happiest times of her life. From the times of a child, through the teen years, the marriage years and after the fall; all seasons, emotions and triumphs are gained through these poetic stanzas. A variety of poetic styles are explored which reflect tone, timbre and balance. A personal reflection on her life so far.
